M. Mortality Table of the Institute of Actuaries of Great Britain and a rate of interest of six per cent per annum; but such deduction shall be made only during the first thirty-five years of service. 46 V., c. 8, s. 5 and 56 V., c. 12, s. 3.

**11.** If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed, or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. 46 V., c. 8, s. 10.

**12.** Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. 46 V., c. 8, s. 11.

APPENDIX No. 3.

56 VICTORIA.

CHAP. 13.

An Act respecting Government Civil Service Insurance.

[Assented to 1st April, 1898.]

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

1. This Act may be cited as *The Civil Service Insurance Act*. Short title.

2. In this Act, unless the context otherwise requires, the "Minister" expression "Minister" means the Minister of Finance and Receiver-General. defined.

3. The Minister may contract with any person to whom *The Civil Service Superannuation Act* applies, or who may be hereafter appointed to a permanent position in any branch of the Public Service of Canada, for the payment of a certain sum of money to be made upon the death of such person. Insurance contracts authorized.

2. Any such contract is hereinafter called the "insurance contract"; the person so contracting with the Minister is hereinafter called the "insured"; and the amount so contracted to be paid is hereinafter called "insurance money." Interpretation.

4. When the insured is a married man or a widower with children, the insurance contract shall be for the benefit of his wife, or of his wife and children, or of his wife and some one or more of his children, or of his children only, or of some one or more of them; and when the insurance contract is effected for the benefit of more than one, the insured may apportion the insurance money among them as he deems proper. Apportioning of insurance in case of married man or widower with children.

Apportionment in case of unmarried man.

**5.** When the insured is an unmarried man, the insurance contract shall be for the benefit of his future wife, or of his future wife and children, and the insured may apportion the insurance money among them in such manner as he sees fit; but if, at the maturity of the contract, he is still unmarried, or is a widower without children, the insurance money shall fall into and become part of his estate.

Form of apportionment.

**6.** Any apportionment under the next two preceding sections may be made in the insurance contract, or by a declaration endorsed thereon or annexed thereto and signed by the insured.

"Children" defined.

**7.** When it is stated in the insurance contract, or in a declaration endorsed thereon or attached thereto, that the insurance contract is for the benefit of the wife and children generally, or of the children generally, of the insured, without specifying their names, then the word "children" shall mean all the children of the insured living at the time of his death whether by the same wife or by different wives.

Share of person dying before the insured.

**8.** Where an apportionment has been made as hereinbefore provided and one or more of the persons in whose favour the apportionment has been made die in the lifetime of the insured, the insured may, by an instrument in writing endorsed on or attached to the insurance contract, declare that the shares formerly apportioned to the persons so dying shall be for the benefit of the wife and children of the insured, or of one or more of them, as he sees fit; and in default of such declaration, the shares of the persons so dying shall be for the benefit of the survivor, or of the survivors of such persons in equal shares if more than one; and if all the persons so entitled die in the lifetime of the insured, the insurance money shall fall into and become part of the estate of the insured.

If there is no apportionment.

**9.** When no apportionment is made of the insurance money as hereinbefore provided, all persons interested shall be held to share equally therein.

Minister may decline to contract.

**10.** The Minister may decline to enter into an insurance contract in any case where there are, in his opinion, sufficient grounds for his declining to do so.

Tables to be prepared.

**11.** The Minister shall cause tables to be constructed fixing the premiums to be paid by the insured to the Minister as the consideration for such insurance contracts, and also all other tables necessary for the carrying out of the provisions of this Act.

Basis of tables.

**2.** All such tables shall be based on the H. M. Mortality Table of the Institute of Actuaries of Great Britain, and on

a rate of interest of six per cent per annum, no allowance being made for expenses.

3. Such tables shall be framed so that the premium to obtain an insurance contract may be paid in one sum, or in annual, semi-annual, quarterly, or monthly instalments, and either during the life of the insured or during a limited period.

Premium,  
how payable.

12. The minimum and maximum amounts payable at death which may be contracted for under this Act shall be one thousand dollars and two thousand dollars respectively.

Amount of  
insurance li-  
mited.

13. Every applicant for insurance shall furnish with his application a medical certificate in such form as is prescribed by the Minister.

Medical cer-  
tificate.

14. The Governor in Council may from time to time make regulations for the following purposes under this Act :

Regulations  
by Governor  
in Council.

(a.) For regulating the mode and form of making contracts ;

(b.) For prescribing the mode of proving the age and identity and the existence or death of persons ;

(c.) For prescribing the mode of paying sums of money in connection with insurance contracts ;

(d.) For dispensing with the production of probate of a will or letters of administration, either generally or in any particular class of cases ;

(e.) For prescribing the accounts to be kept and their management ;

(f.) For determining beforehand the cases or classes of cases in which insurance contracts may be surrendered and a cash surrender value paid therefor, or a free or paid-up insurance contract issued instead thereof, and for prescribing the manner in which such cash surrender value or amount of paid-up insurance shall be determined ;

(g.) For any other purpose for which it is deemed expedient to make regulations in order to carry this Act into effect.

15. In the event of any person to whom *The Civil Service Superannuation Act* now applies taking advantage of the provisions of this Act, a deduction at the rate of three per cent per annum shall be made from the salary of such person towards making good the superannuation allowance provided for by the said Act, such deduction to be instead of the deduction now payable under section six of the said Act.

Additional  
payment if  
insured now  
comes under  
R.S.C., c. 18.

16. The provisions of this Act shall be carried out by the staff of the Finance Department, under the direction and supervision of the Superintendent of Insurance.

Superinten-  
dent of insu-  
rance.

Annual  
report.

**17.** The said superintendent shall, within three months after the thirtieth day of June in each year, prepare for the Minister a statement showing the amount received for premiums during the twelve months ending on the said thirtieth day of June for all insurance contracts entered into previous to the said date, and the amount of all sums paid in connection therewith during the said period, the number of new contracts entered into since the previous statement and the gross amount thereof, with such further details and particulars as are deemed advisable.

To be laid  
before Parlia-  
ment.

**2.** The Minister shall lay the said statement before Parliament within thirty days after the commencement of the session thereof next after the date of the said statement.
